Prof. Dr. Syed Mansoor Sarwar
Vice Chancellor
University of Engineering &
Technology, Lahore

Vice Chancellor's Message

“The process of learning and achievement of excellence is a legacy of our glorious past. The chronicles of history bear witness to the fact that our predecessors pioneered and made gigantic leaps in various branches of sciences. We, therefore, are custodians of a trust vested in us. The turn of events and transgression from destined path have tilted the scales against us. At this point of time, vision with unflinching faith in our cause should be the guiding principle to turn the wheel and arrest further degradation of our potentials. A big task lies ahead to revive and restore the ascendancy of our predecessors to its rightful place in today's modern world. Let us join hands to carry this noble mission to conclusive end under the banner of UET, Lahore.”

Campus Coordinator's Message

اقْرَأْ بِاسْمِ رَبِّكَ الَّذِي خَلَقَ

Read: In the Name of your Lord who created.

“The first word in the very initiating verses revealed to Prophet Muhammad (صلی اللہ علیہ وسلم) guides the followers with one of the prime objectives of their lives, which could only be achieved if we follow the path Allah (سُبْحَانَهُ وَتَعَالَى) showed us through Prophet Muhammad (صلی اللہ علیہ وسلم). The legacy needs to be continued toward our successors by providing them with the best knowledge we have and the facilities they need to continue their journey headed for the utmost goal of achieving excellence. The commitment at all levels is assured and objective of making this campus one of the best campuses of UET Lahore is the prime focus of every individual working at the campus. The intent is to produce the graduates who may contribute to the socio economic development of our country and play their role as leading graduates in their specific engineering domains.”

In Its First View

Marking the esteemed legacy of professional education, University of Engineering and Technology, Lahore is expanding its horizons throughout the globe. To enrich its national stature with generous tradition of technical education in the field of engineering, UET has pioneered its wings in different belts of the country. The newly established campus of UET, Narowal is marking its elegance while adding success to the regional professional and technical education.

The surrounding students are getting a golden chance to grace themselves with legitimate educational and professional norms from a source of dynamic cultural values. The campus is committed to stern beliefs of carving success through unrelenting efforts for the achievement of targeted goals.

Infrastructural Development

An eye-catching and ‘State of the Art’ campus of UET, Lahore Narowal has a long standing history of it's development. It's astounding and ‘Second to None’ infrastructure had started to be developed in 2015-16. But in a nutshell, the time of last two and half years has proven blessed for this campus. As, most probably every stature, including developmental as well as educational, has reached to its accomplishment under the strong and dynamic professional standards of Respected Campus Coordinator Prof. Dr. Muhammad Shahbaz.

Signature Building

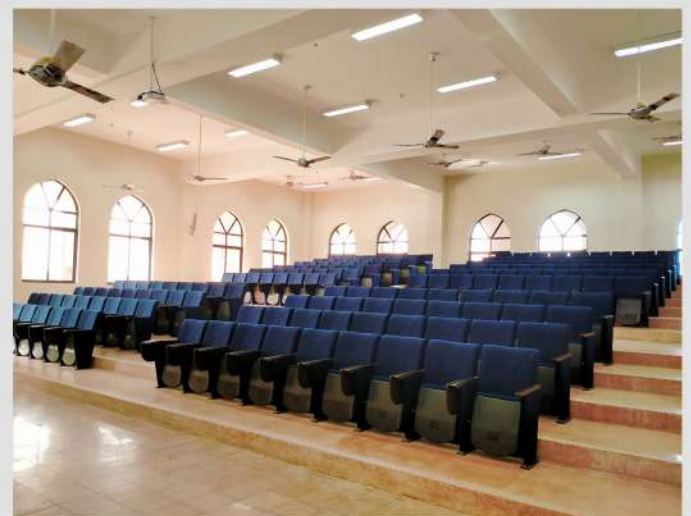

The charm of UET Lahore, Narowal Campus commences with its well substantiated Signature Building, this masterpiece is dignified and is located right after the main archway of the campus. Signature Building holds its own significance.

At this occasion, respected Campus Coordinator Prof. Dr. Muhammad Shahbaz, campus faculty and other staff members were also present. Signature Building comprises of CC's office, administrative blocks, vast seminar halls and a well-equipped library.

It's semblance gives the complete view of “How actually a campus life is supposed to be”. The inauguration ceremony of this esteemed building was held on 22nd June, 2019 by worthy Vice Chancellor.

Departments

Departmental Buildings are also one of the most accomplished sectors of Narowal Campus. All departments hold some kind of incomparability and individuality which distinguish UET Narowal Campus from all other sub-campuses.

Departments are made in such a way that they can uphold with enormous number of students at a time in term of crenels and ultimate expansion. Each departmental infrastructure is shaped in octagon star, which is quite unique, innovative and masterstroke in this arena of architecture.

Library

Libraries play a fundamental role while enhancing the learning experience, providing students with all the materials and services they need to improve their knowledge. By being quiet places, libraries are the best areas where students can receive support to solve their questions and problems, magnifying their study experience.

UET Lahore Narowal Campus has a well-furnished library with almost 4331 books. Many students are benefited by this library to broaden their minds. The library staff uses an automated software to keep the record of all happenings of library. This software was developed by students of SIRUN Group from Computer Science Session 2017 under the supervision of Sir Yaseen Ul Haq.

Hostels

The hostels of campus are vast, spacious and comfortable. Hostels are there for all the reputable faculty members and students. In its first view, hostels look ostentatiously beautiful and comfy as well as snugged.

The inauguration ceremony of faculty hostels was held on 22nd June, 2019 by worthy Vice Chancellor Prof. Dr. Aziz Akbar. At this occasion, respected Campus Coordinator Prof. Dr. Muhammad Shahbaz, Project Director Usman Majeed, campus faculty and other esteemed faculty members were also present.

Transport

A new bus in the routes of the campus was added in a small inauguration ceremony. Respected Campus Coordinator Prof. Dr. M. Shahbaz, DSA Dr. Habib Hussain, Chairman Transport Mr. Yaseen Ul Haq and Transport Officer Mr. Zeeshan Ashraf were chief guests of the ceremony.

Currently, UET Lahore Narowal Campus is having a sustainable transport stature, including 5 buses, 2 vans and 2 cars for transportation of students, faculty and staff officials.

Plantation Drive

Considering the manifold benefits of trees, including that they release oxygen into the air, absorb unpleasant odours as well as harmful gases and purify it, maintain ecological balance and most especially lessen the effects of global warming, the administration has initiated a well-planned plantation drive all across the campus.

Inaugurating this blissful plantation drive to make Pakistan clean and green, the worthy Vice Chancellor Prof. Dr. Syed Mansoor Sarwar visited Narowal Campus back in August 2019. At this occasion, respected Campus Coordinator Prof. Dr. Muhammad Shahbaz and other faculty members were also present. Both the worthy VC and CC initiated this plantation drive by planting one-one Royal Palm tree right in the front of Signature Building.

Academics

Technical Workshops

For an Engineering Student, going beyond the horizons of textbooks and making something innovative is certainly a measure to improve an individual in practical terms. Workshops, seminars and conferences held at regular intervals do perform the same motive for a student. Being exposed to these practices makes him more prone towards learning and getting better with each session.

The departmental societies of UET Lahore, Narowal Campus keep arranging different technical and informative workshops contributing towards playing a vital role in the professional development of students. Codator Society of Computer Science and Engineering Department, ASME, CESA and IEEE are some departmental societies that are currently active in Narowal Campus.

Codator Society of CS&E organized many worthwhile workshops on different latest and trending market technologies through which many students reaped fruit. Workshops on Android Development, Graphic Designing, Digital Marketing, Freelancing through Fiverr and Upwork, Seminar on Artificial Intelligence and GRE Test Workshop were on the top of the list.

Annual Industrial Open House Fair & FYP Exhibition

Final year project is one of the most important jewels of Engineering degrees. It vividly represents the intellectual and professional incarnation of engineering knowledge into a practical manifestation, while marking the quality of said education.

Final year students from all departments of Narowal Campus exhibited their FYPs showcasing their potential learning and skills. Groups which were listed among those having best FYP were given shields by the respected Campus Coordinator Prof. Dr. M. Shahbaz in a splendid closing ceremony that was held in theatre hall.

UET, Lahore Narowal Campus also has this rich tradition for showcasing the practical talent of its graduates. And Final Year Project Exhibition was also arranged in UET, Lahore Narowal Campus in 2019.

Annual Book Fair

Books play a significant role in our life. When we open a book, we open a new world. A book is like a best friend who will never walk away from you. Books take us into a unique world of imagination and improve our standard of living.

UET Book Club organized Annual Book Fair at Signature Building. Respected CC Prof. Dr. M. Shahbaz, DSA Prof. Dr. Habib Hussain and other faculty members visited the book fair and appreciated the organizers for taking this worthy initiative.

PEC's Visit

Pakistan Engineering Council (PEC) has continuous visits of UET, Lahore Narowal Campus for accreditation purposes since it's emergence. PEC has made a recent visit to the campus for accreditation of all 2016 Engineering batches.

Team PEC visited different sites of the campus and keenly observed the infrastructural and architectural development. They appreciated the fast growing construction progress of buildings' stature and also highlighted some technical shortcomings to be removed for the purposeful development of it's structure.

Campus Life

Co-Curricular Activities

UET Media Society every year welcomes new batch by organizing Photomontage. Like every year, UMS organized Photomontage 2K19 to welcome the new comers which was among one of the most thrilling events of the campus so far.

This event was held in front of Signature Building in which students from all departments of campus participated with great zeal and zest. A Saraiki cultural dance was also performed at the end of this event by some Saraiki students of campus. In a nutshell, the event proved to be a great welcome gesture for the new comers of Session 2019.

UET Tribune also welcomed new batch with traditional style and novelty by organizing "Portraiture & Cultural Fest". This festival depicted all the cultural themes of our beloved homeland. Fest had different modules like cultural walk, cultural stalls, cultural performances, etc.

The said event was also held in front of Signature Building. All the students of Narowal Campus participated in the event and enjoyed much. Both the media societies, UMS and UET Tribune, keep arranging such entertaining and blissful events for the students of Narowal Campus.

Sports Activities

The vast and green fields of UET Lahore Narowal Campus offer its students with great opportunities to excel in sports along with their academic development. Sports offer amazing benefits to the students in terms of health and mental development, it also enhances academic performance and helps them achieving better grades.

Sports Society UET Narowal Campus every year organizes different sports activities and competitions for the students. In a recent series of events, Sports Society organized different games which included Arm Wrestling, Tug of War, 100 Meters Race, Badminton, Cricket and Football.

Another event Sports Strides was also organized by Sports Society in which several tournaments were arranged. Faculty members and administration also participated in Badminton tournaments. This healthy activity organized by Sports Society was appreciated by all the participants.
